# Our Principals

Dr. Albert Pollard  
Principal

You might not know it, but Dr. Pollard considered attending medical school. "Paging Dr. Pollard. Dr. Pollard to the OR - stat!" He also signed on with the Oakland Raiders as a free agent. What an opportunity! However, his final destination has been in education for 34 years. What has he taught? Middle and high school; philosophy, math, weight training, physics - the list goes on and on! His wide range of experience is the reason that he has his finger on the pulse of our school and has led us to one of the top CCRPI scores in the state!

Thank you, Dr. Pollard!

Mr. Flanders considered going into law enforcement before getting his math degree and deciding to become a high school teacher. Now in his 19th year of education, he has perfected the art of sentencing students to appropriate punishments for their 'crimes.'

Dr. Ken Hartley  
Assistant Principal

Dr. Hartley is a 1989 graduate of Peach County High School. He attended Valdosta State where he earned his degree in communications. His wife is the one who influenced him to become a teacher. He taught social studies at the middle school level before becoming an administrator. This is his 15th years as an educator.

Mr. Hester has been in education for 22 years. He began his career teaching middle school math and Georgia history. His love of sports led him to education because he wanted to coach on the high school and college levels. Students may be surprised to know that Mr. Hester listens to the same music as they do - just the clean versions!

# Teacher of the Year

## 2016-2017

*Mr. Victor Hedgpeth*

Mr. Hedgpeth, also known as Coach Hedgpeth, is this year's Teacher of the Year for Peach County High School. His love for math shows everyday through his excitement for teaching. Mr. Hedgpeth has been teaching math for 10 years, all here at PCHS. Along with teaching, he is also the head boys' soccer coach, football team chaplain, and huddle leader for Fellowship of Christian Athletes. He has a true Trojan heart that runs in the family. His wife and all three children graduated from Peach County High School, and they are all so proud of Mr. Hedgpeth and all he has accomplished as a teacher and a coach.

## *Mrs. Chandra Thomas*

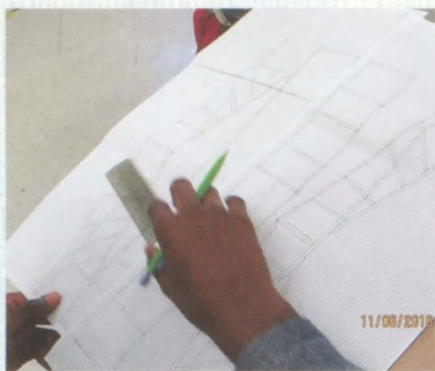

Each year, a committee of marvelous seniors chooses a faculty or staff member who they feel has influenced their experience and education at the high school. This year, the students have chosen to dedicate the yearbook to Mrs. Chandra Thomas.

Mrs. Thomas is one of three children who grew up in Fort Valley, Ga. Her parents, Dr. Clinton Dixon and Dr. Virginia Dixon, still live in Fort Valley. Her father worked at Fort Valley State University for 40 plus years before he retired. Her mother was a teacher, assistant principal, principal, and a Peach County School Board Member. She was also Mrs. Thomas' teacher and boss at one time.

In 1988, she graduated from Peach County High School and went to study and work in Palm Beach, Florida. That is where she met her husband, Mr. Bruce Thomas, who teaches 6th grade at Fort Valley Middle School. She has two step sons named Brach and Bruce. She graduated from Spelman College and received her Bachelor's degree and her Master's degree from Clark Atlanta University. Mrs. Thomas worked as a substitute teacher until she got her own fourth grade class. She knew she wanted to be a counselor but not for the school. However, with encouragement from her mother, she became one. Her goal was to help kids and their families. She worries about the whole picture not just academics.

Mrs. Thomas is a very intelligent woman who listens to everyone's problems when they need an ear. She leads us across the stage, and truly invests in our future. For that, PCHS faculty, staff, and students are forever grateful for her loyalty and support.

It all starts with the design.

# PCHS ENGINE BUILDING TEAM

Every year in December, a team of five students goes to competition in Indianapolis, Indiana at the PRI (Performance Racing Industry) show, to see who can take apart and put together a 350 Chevrolet motor the fastest. This year, the team came in 3rd place and also won another trophy for having the fastest and cleanest build with no penalties. They currently hold the national record with 16.11 as their time.

Congratulations to our Engine Building Team for all their hard work and motivation!

Receiving the trophy: Instructor Johnny Rickerson and team members Henry Staples, Kyle Windham, Daniel Mayorquin, Dakota Ezell, and Preston Kersey

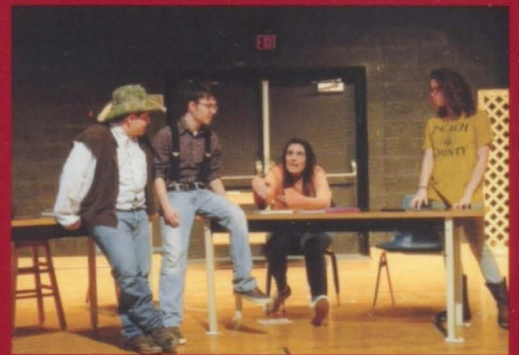

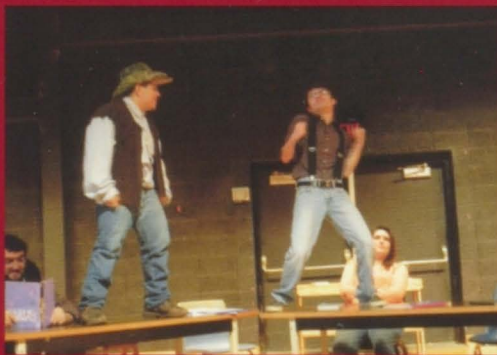

# OUR BROADWAY

*"Life is NOT a dress rehearsal. The curtain is up and you are on, so get out there & give it your BEST SHOT."*

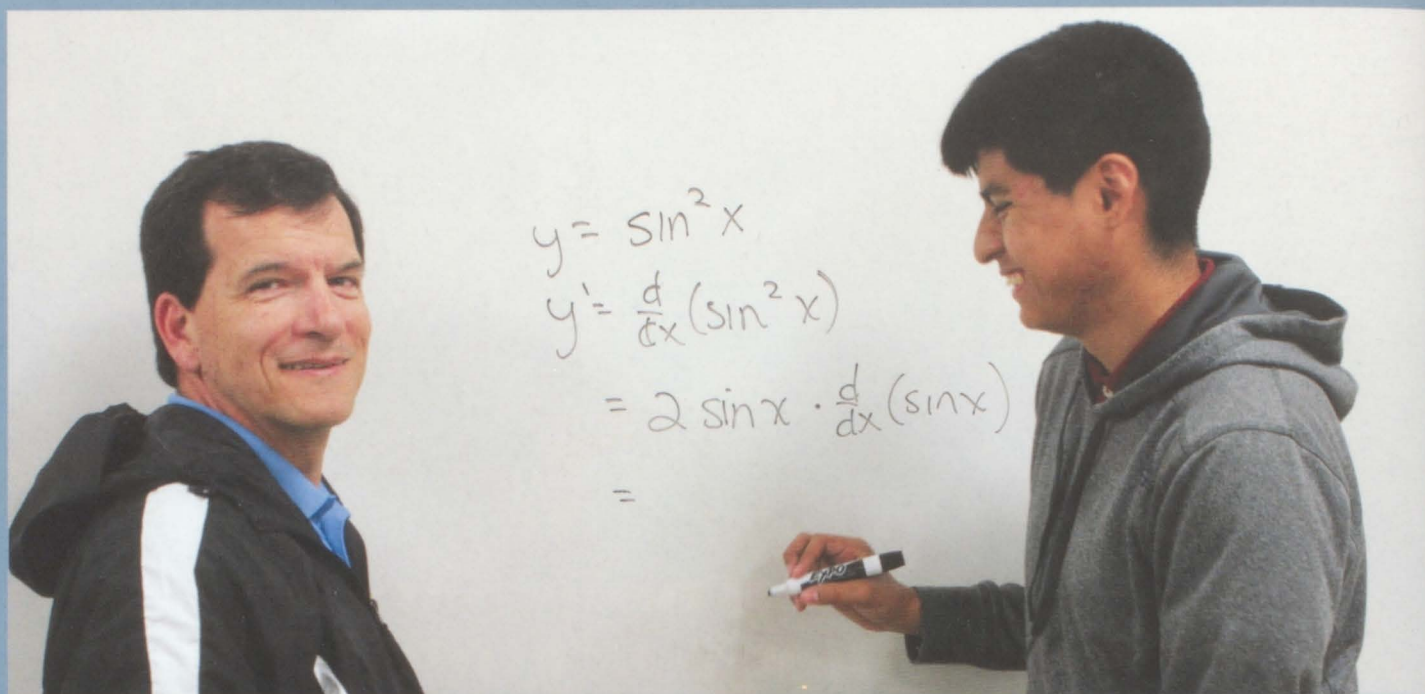

**The drama team has really put its mark in Peach County High School history. When they put on a show they never disappoint. The drama club consists of an enthusiastic and talented bunch of students.**

# OUR SHOW

# Star Teacher and Star Student

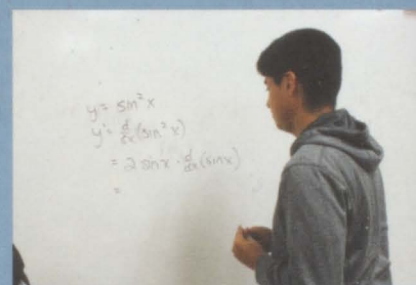

Luis chose Mr. Hedgpeth as his STAR Teacher because he has been around in his life all four years of high school. Over the course of those four years, he has always been a positive person who always motivates his students and players to give their best every time.

"He has most certainly molded me into who I am today."

- Luis

Luis Ortega is an exceptional student at Peach County High School. He has been on A+ Honor roll all four years, as well as the boys soccer team with Mr. Hedgpeth as his coach. Luis' intelligence definitely shows throughout his hard work and dedication to school.

## Throwback Thursday

## Spirit Friday

Homecoming Week is the one time of the year when we can get away with breaking the dress code and have a little fun!

Destination Day was our chance to take a little vacation...to Hollywood, New Orleans, Hawaii, out West, or any place we always wished we could go.

On Twins Tuesday, we outdid ourselves. Have you ever seen such mirror images? We loved the teachers' participation, too!

Character Day was crazy good! From Snow White and the 7 Dwarfs to Pocahontas and any kind of superhero you could think of. We had it covered.

We went from the 50's to the 70s to the 90's on Throwback Thursday, with a sprinkling here and there of other fab decades.

Then came Friday, and you know that we showed out! From our teachers on down - we got our Spirit On! The Pep Rally was outrageous fun with performances and music like nobody but PC can do.

Countless hours were dedicated to each campaign and delicious treats were shared among our classmates. Long time sponsor Naomi Simmons of the homecoming court was delighted to announce this long anticipated secret: who would take the crown for homecoming king and queen.*

Pre-game stretch!

Captains getting ready to start the game.

Congratulations on a great game!

There is so much that goes into getting ready for the game. The formations have to be just right for the plays to be successful.

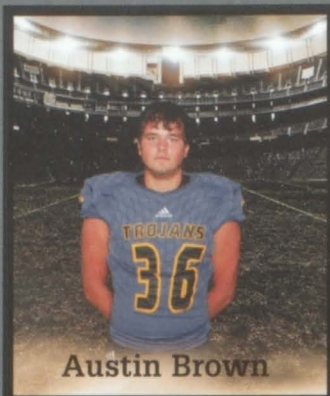

The Trojans had an extraordinary season this year. These young men have set excellent examples for the community in terms of athleticism and hard work. Coach Campbell has taken us to nine great wins this year, winning the region championship, and into the playoffs all the way up to the semifinals. We're sad to see it go, but we look forward to seeing what next year has to offer.

# Band

Our Peach County Marching Band never fails to impress. Consider us the sound track to those Trojan Victories. Under the direction of Mr. Darren Johnson and our Drum Major, Stephanie Vargas, we get the crowd moving, the bass pumping, and we give the dancers their groove. Let's not forget about the Phenix City band competition in Alabama; we blew everyone else away with all Superior ratings! What can we say?

Through much effort and time put into practice, the Peach County High School band never failed to deliver an outstanding performance during the half-time shows. The members dedicated their hearts entirely to make the Friday night lights unforgettable. Though many will be walking off the field for the very last time, the memories made will never be forgotten.

# Sports Mash-Up

Peach County High School is known for its winning sports teams, from our football team making it to the Final Four to our Lady Trojans softball team qualifying for the playoffs. The cross country team can run miles around the others, both girls and boys. Last but not least, we can't forget about our teams' support system: the cheerleaders, who encourage them with enthusiasm.

Words will never be able to express how proud of you I am and how much I love you!! I have watched you grow into a wonderful young lady. It seems like yesterday you were my little dancing ballerina and now you are my Dancing Diva!! I have watched you sacrifice times being with family and friends for dance class and dance performances. All of that has made you the awesome dancer that you are today!! You are the epitome of your motto -dance IS NOT a hobby- it's a Lifestyle!!

*Mrs. Laura Cooper has done an excellent job coordinating the 2016-2017 yearbook. This is her first year as an adviser along with working with the yearbook program. Getting to know everyone and learning the ropes of what the yearbook staff is all about has been fun and a little overwhelming at times, but she has always been able to pull through. Next year, she will be working with a whole new staff. With the yearbook coming to an end this year she is already getting ahead of the game for next year!*

The Peach County High School Yearbook Staff is one that learns how to roll with the punches. With familiar faces and a new adviser, they are flexible and innovative in making this fine publication take place. In addition, the Yearbook staff is responsible for Homecoming week, the Homecoming dance, and the Powder Puff game. Even if there are a few bumps along the road, these students know when it's time to work as one--meeting deadlines, raising money, conducting business calls, and sharing victories. So prepare your applause for the ladies who handle the madness.

# Class of 2017 Last Wills & Testaments

I, Lizbeth Cervantes, of simple-minded and petty attitude, leave behind my parking spot, the car rides to school with Alexis (sorry for almost killing us) and the mornings with Dr. Pollard letting us know how much time we have till the tardy bell. To Grace, I leave you the wisdom to deal with these silly boys. ilysm! To Ms. Cliett, I leave you our great memories on Friday nights! Thanks for being the greatest role model! To the game of soccer, I leave behind great memories on the PCHS soccer field, the ability not to pass out during the barn run, and my number 9 jersey (whoever wears it next...you have big shoes to fill...). Coach Langley, I leave you the patience to deal with girls who have "garbage feet." Lastly, to the underclassmen, live every moment at high school to the fullest; they go by fast.

I, Tiara Clark, want to say to my little brothers Giovanni and Jamal, never give up and always strive for greatness. You are almost there! Enjoy your senior year. I leave you my ability to be strong and never let anyone put you down. I also leave my ability to have courage and overcome difficulties. Last but not least, I leave behind my love.

I, Joshua T. Daniely, the man with the good heart and curly hair, leave the following: To my family, thank you guys so much for supporting me along the way. I MADE IT! To my teachers/counselors, thank you for all making me work at what I want to achieve. To my cousins Caleb and Terkel, keep up all the good work I've been seeing from you guys, and don't let anyone or anything stop you from doing your best. Also stay out of drama and just flat out DO YOUR BEST! Thank you Zakyah for being an amazing friend and the best friend I've ever had all this time and for supporting me along the way. Never switch up. Love y'all and good luck! To Nae, while being the most annoying person I've ever met, we've managed to build an unbreakable bond. Finally, c/o 2017, Love you guys & GOOD LUCK!

I, Kara English, hereby leave the following to Peach County High and the students: I leave the memories of the very rare pep rallies and their wonderful chaos to the upcoming seniors. May you relish in their extreme disorganization. To my Aunt Debra, I leave your chilly office and our gossiping while I'm supposed to be working. To my fellow classmates, I leave the laughs and random bursts of singing. I leave the nerves of the first day of freshman year to the upcoming freshmen; trust me it ends up not being worth it. Finally, I leave the never-ending bond of classmates to the students we are leaving behind, please do not waste and forget your memories. Take pride in each other and spread the love.

I, Amya Lockhart, say to my fellow 2017 classmates, this is not the end of life, this is only the beginning. I pray that you grow up to be successful adults. To my FL Kuanzne, this will be my last year here with you, so I hope that you continue to be the best that you can be, because I'm watching you. I love you! Next, to my little brother Jamarian, my cousins CJ, Caymen & Caleb, I love you guys and I hope that y'all continue to make me proud. Keep your grades up, so that one day soon you'll be writing one of these! Finally, to my mommy, granny Lockhart, grandma Watson, grandpa James, Chandra Kira, and everybody else, I love you guys dearly and I thank you for helping me make it through.

I, Markeisha Haugabook leave to all my CG sisters - hold that color guard down. DON'T EAT NO PEANUTS and misremember this is an outdoor activity - there is no inside with color guard. Brianna, Trudy, Carleesia, Sabrina, Janelle, and Yanna remember that flag is hard work. I wish y'all best of luck next year. I'll pop up at like 2 or 3 games. Ms. Pam, I'm going to miss you. Y'all remember no matter what they say about color guard, we work hard and have fun! To my petty flag girls I love y'all 4 eva (Cardi B Voice).
